## NOTE:

- 1. All rates for outpatient, inpatient and obstetrics services exclude anesthesia, DME, prescription drugs and/or physician fees.
- 2. For all FA/NOCV plans: If total charges are less than the applicable % of Medicaid rate, the patient is only obligated to pay the the lesser of the two amounts associated with the designated Financial Aid Plan or NOCV but never more than facility total charges.
- 3. Referred Ambulatory and PST/APST services not listed on Medicaid fee schedule will be billed at respective percentage of facility charge amounts for FA/NOCV patients.
- 4. If a patient cancels or is a no-show for an elective procedure and either the PST or APST was performed, the patient is financially responsible for those tests.
- The patient will be billed based on the applicable % of Medicaid rate associated with the patient's respective FA/NOCV plan, or % of total charges if Medicaid rate does not exist.
- 5. Per NYS-DOH regulations, patient/responsible party will not be charged or billed for prenatal or pediatric ER/Clinic services registered under FA00 plan.
- 6. Newborn rates will apply separately from mom. In the event of multiple births, individual rates will apply for each additional newborn.
- 7. Medically-Necessary Implants/Chemo Drugs: In the absence of a Medicaid fee schedule, patients are responsible for the designated % of COST associated with their respective FA/NOCV plan.
- 8. For all FA/NOCV plans, ROUTINE ancillary procedures are included in the clinic flat rate when ordered by facility physician at prior clinic visit.
- 9. When an FA/NOCV patient returns for their ROUTINE ancillary test on a different day, the insurance code FANV should be used for FA patients, and NONV for NOCV patients.
- 10. Services/Procedures that are not considered medically-necessary, and not reimbursed by Medicaid, are subject to Self-Pay rates at facility total charges not FA/NOCV rates.
- 11. Only emergency dental services are covered under the Financial Aid Program. All other dental services are subject to Dental Self-Pay Fee Schedule.
- 12. For FA rates that calculate to an amount less than the flat FA00 amount for a procedure/service, the patient will be responsible to pay the flat FA00 amount for the same procedure/service.
